

BURN THE CODE

Intecho'19 brings you *Burn the Code*, an event to prove your mettle in programming. Cash Prizes await people who can cleverly debug according to the need. Participants can code in C/C++/Java.

Event Format

Prelims

- Written Test containing objective questions for a maximum duration of 1 hour.
- The answer paper will be evaluated by the coordinators.
- Selected participants will be intimated soon after the evaluation.
- Selected participants alone are eligible to attend the next round.

Finals

- Programming round and the participants need to pen the code based on the given problem/need. Participants can code using **C/C++/Java**.

• Certificates and prizes will be awarded to the top scorers based on the criteria decided by the judges. Decision of judges shall be final and it will be binding to all.

- Any non-disciplinary action within the college premises will be viewed seriously and the participant will be disqualified.
- If a participant does not abide by any of the aforementioned rules, his/his team will be disqualified automatically.
- It is a team event and each team may comprise of a maximum of two students only.
- Interested students must register on-site on the day of event in order to be eligible to participate in the event.
- It is a completely on-spot event consisting of two rounds.
